Oh, Clarion . . .

Dear, Clarion . . .

Oh, College . . .

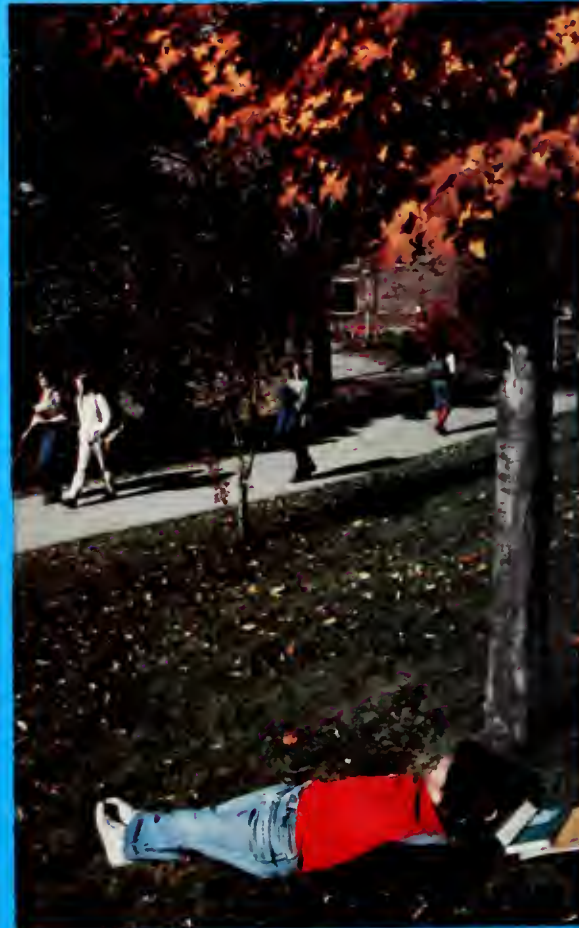

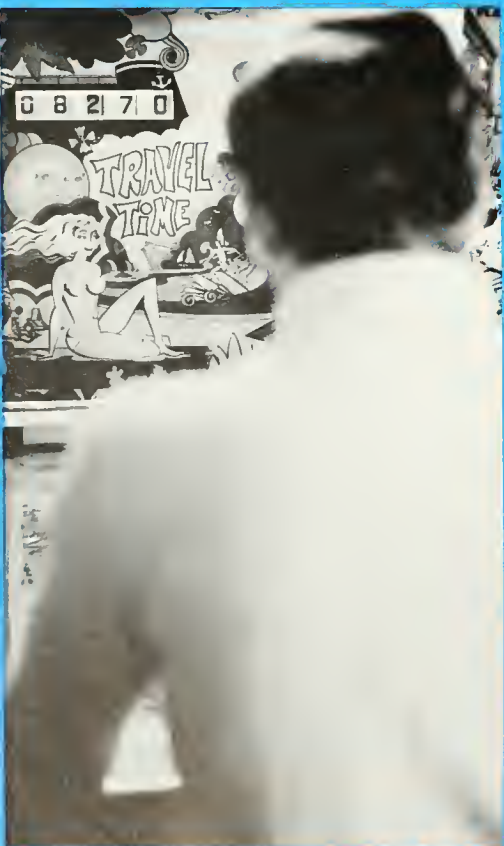

. . . On The Hill

To All The Joys . . .

... Of Student Life

Our Hearts . . .

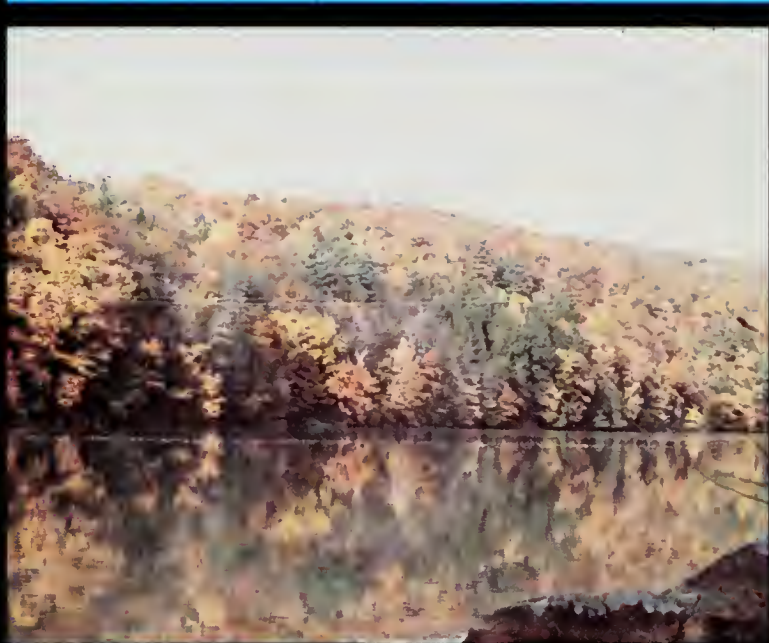

... Will Ever Thrill

Your Silent . . .

Winding River

It Haunts . . .

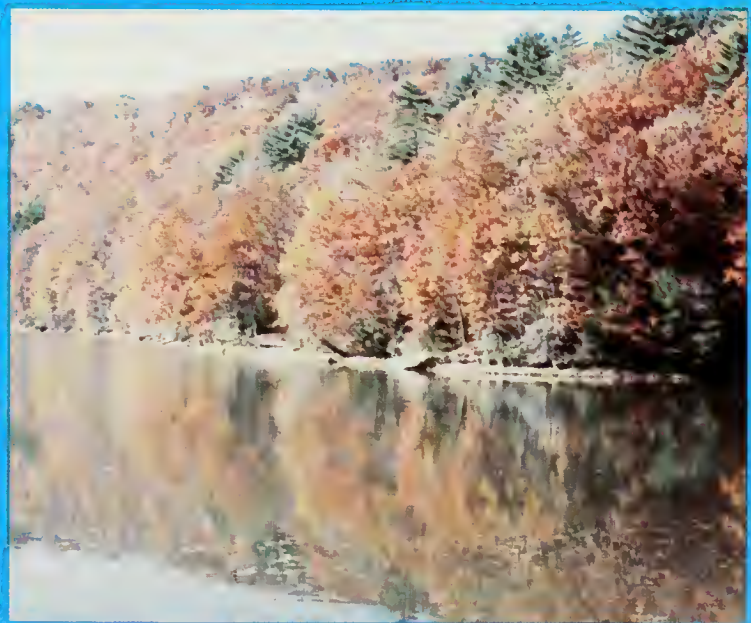

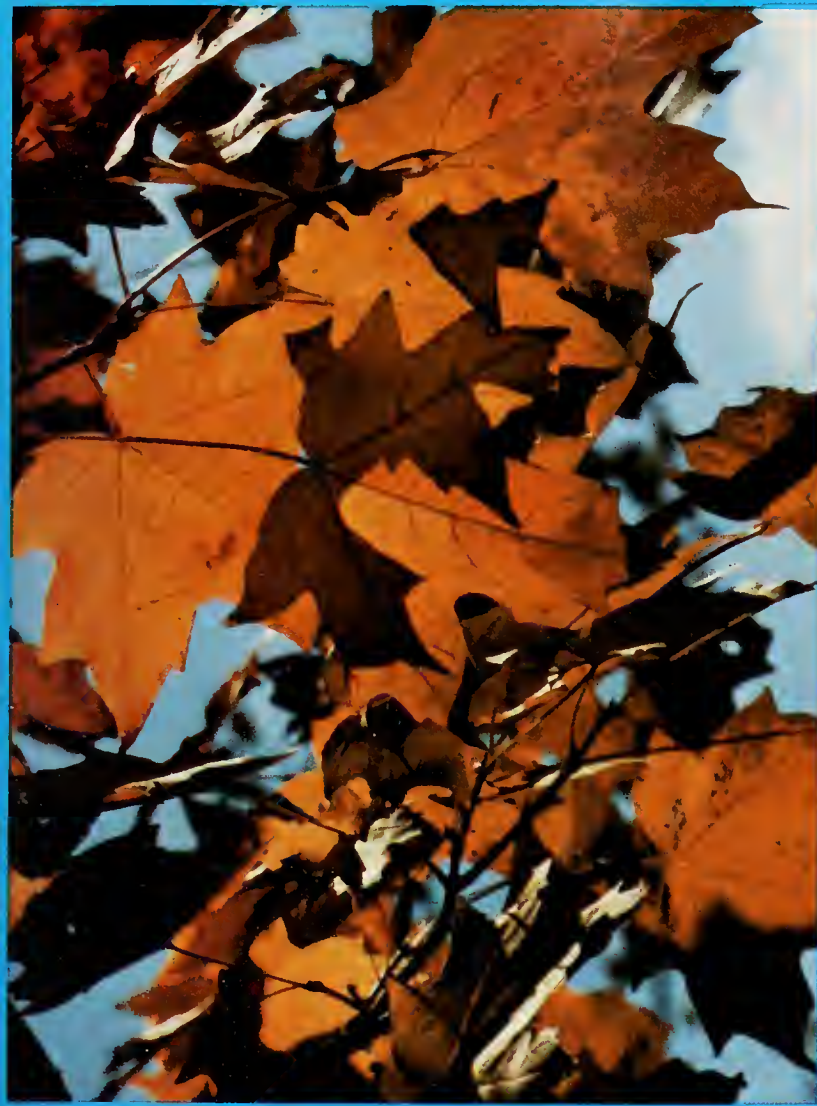

. . . Me Still.

Faces come and faces go.
There are always new experiences around each bend.
A world that is constantly changing,
yet somehow remaining unchanged.

We are separate individuals in this world,
Flowing together for a short time,
Each contributing to the mainstream of college
life.

Four years come, and four years go,

They run swiftly and smoothly,
They meander and wind,

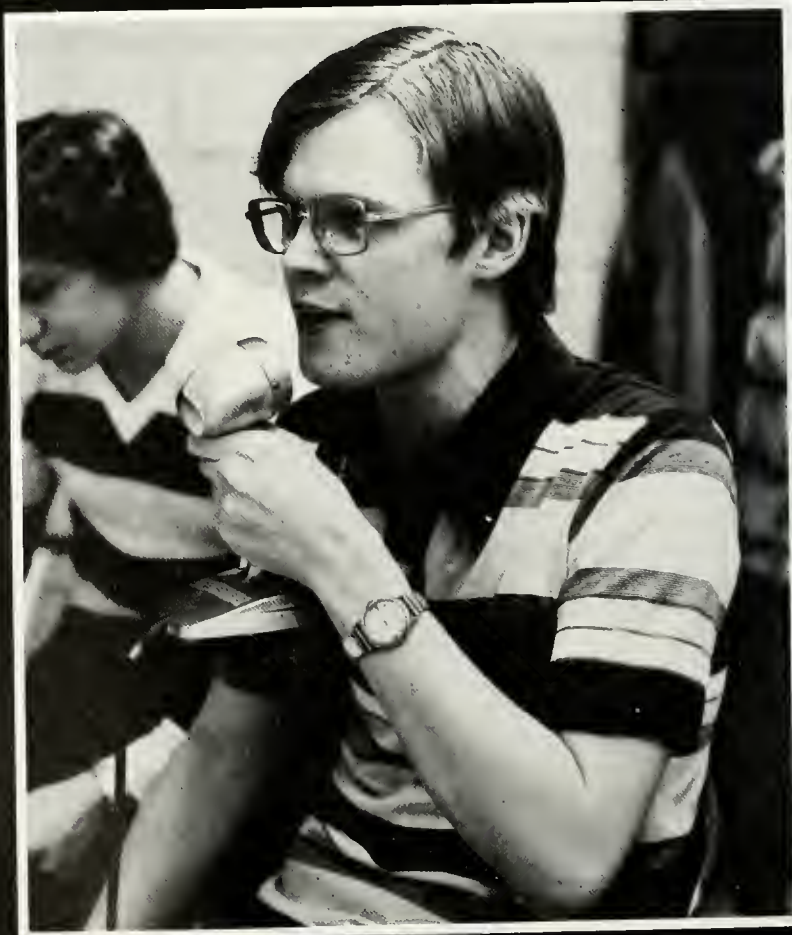

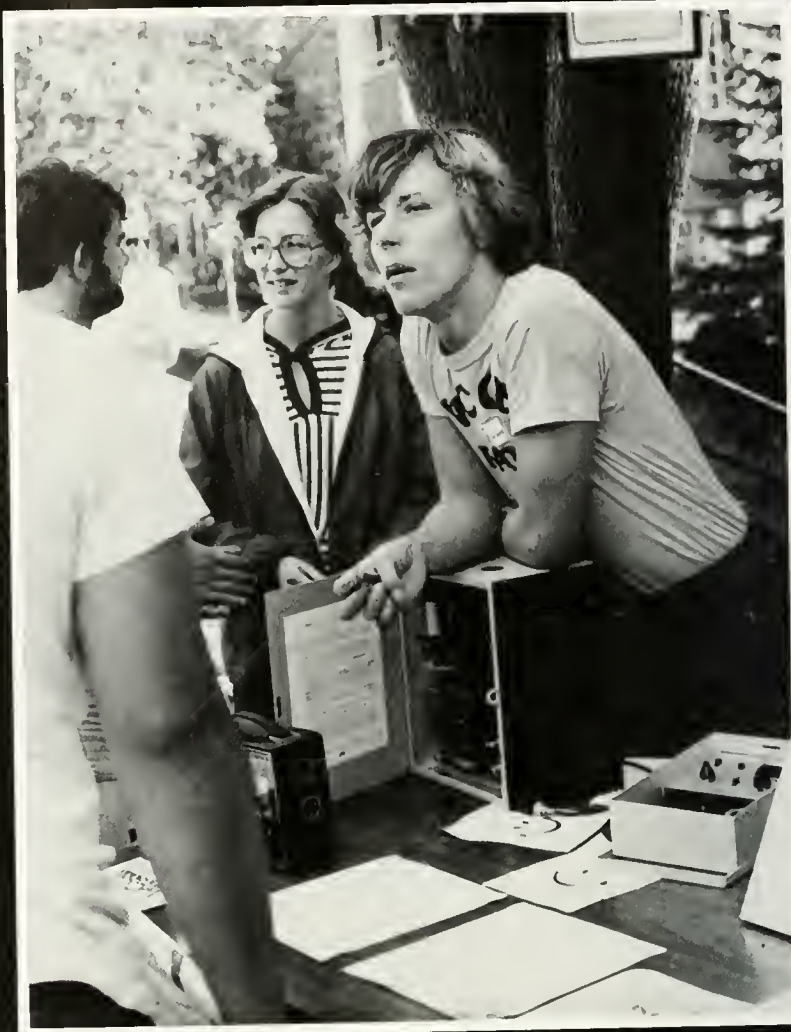

They tumble, and the going gets rough,

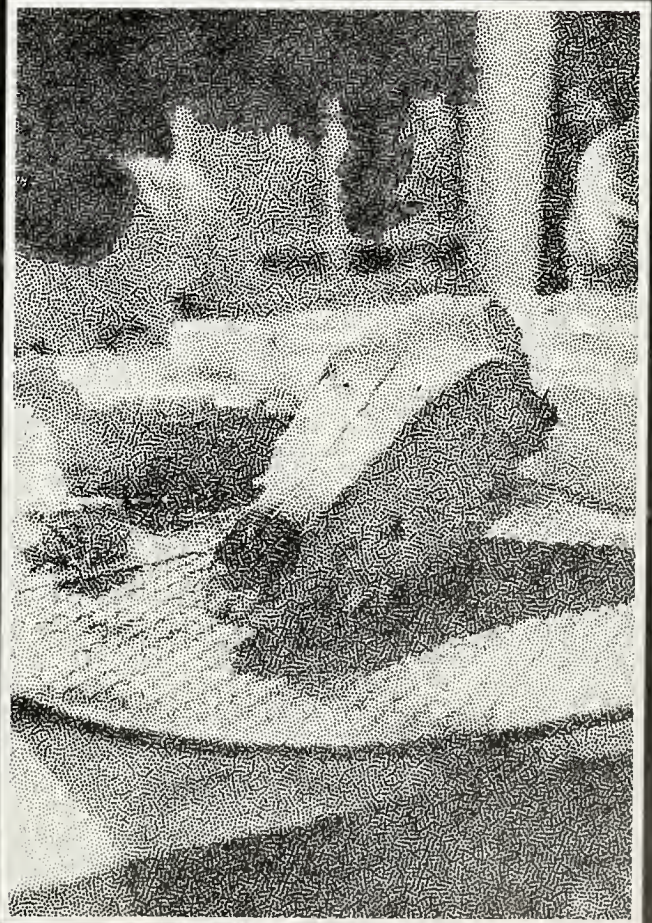

But they never stand still!

M.A.S.H., staged in the Marwick-Boyd Little Theatre February 15th through the 19th, showed what success is all about. Using both stages, under the direction of Dr. Adam Weiss, and television monitors, directed by Carl Glass, a different dimension was added to the two-act play.

M.A.S.H. (Mobile Army Surgical Hospital) was set during the Korean conflict over a period of many months. War made the story for M.A.S.H., love, insanity and lots of fun made it a smash.

Williams' Glass Menagerie

CAST:

Amanda.....	Kim Lemon
Tom.....	David Green
Laura.....	Marie Trusits
Jim.....	Al Latronica

Tennessee Williams' Glass Menagerie was staged at the Marwick-Boyd Little Theatre November 15th through the 19th under the direction of Dr. Mary Hardwick.

Set in St. Louis, Missouri, the play takes on an air of illusion. The entire family is haunted by the memory of the husband and father who left them. Each member reacts to his absence differently.

Amanda, the mother, is constantly talking about her past, referring to her many "gentlemen callers." She tries to live out her debutante-like fantasies through her daughter, Laura.

Laura is perceived to be like a transparent, fragile figure. She is caught up in her glass menagerie of animals and music. They offer her an escape from reality.

Tom, the son, wants a better life than what his father had. He avoids the situation at home by going to the "movies" as often as he can. When Tom leaves home at the end, the audience realizes he will never return.

The most realistic of all the characters is Jim, Tom's friend from work. Jim knows what he wants from life and has a stable grasp on it. He is the only one who offers a sense of hope for Laura. When he is alone with her, there is a feeling that she can get out and that she can make it. Hopes are diminished when Jim announces that he is engaged and the audience is left with the impression that Laura will remain with her mother and her glass menagerie.

"The Hostage", a play by Brendan Behan, was staged in the Marwick - Boyd Little Theatre September 20th through September 24th.

The play was set in a disreputable Dublin lodging house where a young cockney soldier was held in reprisal for an I.R.A. man who was to be hung.

Excitement, followed by love and finally tragedy, made "The Hostage", directed by Bob H. Copeland, a success.

Concert Band

Members of the Clarion State College Symphonic Band include about ninety wind and percussion players who have earned their positions through serious auditions. Conducted by Dr. Stanley Michalski, Jr. and assisted by Mr. Lawrence Wells, the ensemble performs literature of the highest aesthetic value, providing the opportunity for artistic expression while stressing rigid requirements for individual musicianship. Music from all periods and styles of compositions forms the repertoire for the two major concerts each year and the annual spring tour.

This year's band commissioned Robert Washburn to write a piece for the band, "Impressions of Cairo", which was performed for the first time at their March concert. Russell Reefer was honored at their President's Concert in May as the outstanding senior band member. Also honored were soloists Lisa Tower and Joel Farwell.

"Dedication" is their motto as they continuously strive for a more profound understanding and appreciation of gospel music. For these singers, gospel music serves as a spiritual uplift and a mechanism through which they re-establish their faith and culture. Gospeliers have performed for the Pope, at Polk Institute, and at various cities and colleges throughout Pennsylvania and New Jersey.

Under the direction of Mr. Lawrence Wells, the musicians present a wide variety of styles in their concerts both on campus and on tour.

The C.S.C. Laboratory Jazz Band consists of approximately twenty-two musicians, selected through auditions. Styles performed range from the music of the 1930's to the new "big band sound, with emphasis on recent trends in composition and arranging. Each year the group presents two formal concerts and plays for high school and community audiences in tours throughout western Pennsylvania, with their director, Mr. Lawrence Wells.

IFC tries to promote many areas of activities on the Clarion State Campus. In working with Panhellenic Council, IFC has co-sponsored the Bike-a-thon for the American Cancer Society, and Greek Week. Fraternities also are involved in intramurals and sports as well as other organizations such as WCCB, Student Senate, Center Board, The Call, and the Autumn Leaf Festival.

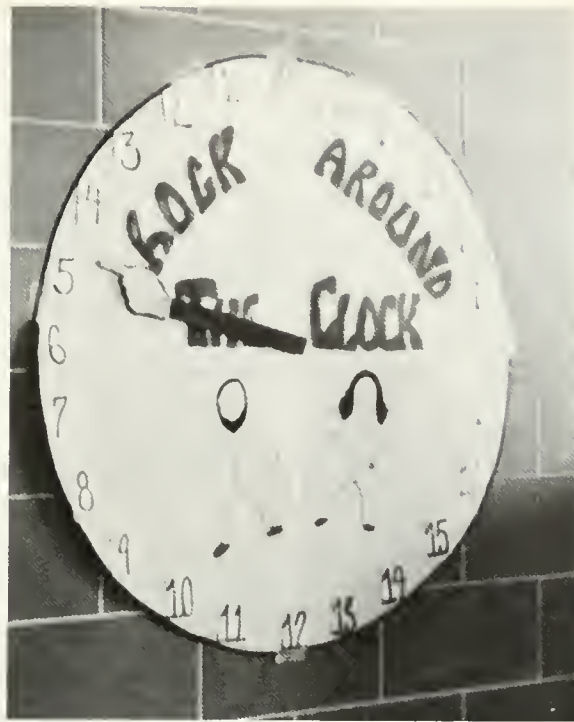

Scholarship is not neglected, however, as each spring during Greek Week trophies are presented for first and second place for both active and pledge categories.

Concorde in New York

It was a gray and gloomy morning at Kennedy International Airport as the controversial Concorde touched down in New York last night. The flight was unremarkably quiet, a quietude that was a little surprising, depending on the plane's reputation. After seven years of operating in a U.S. Supreme Court case, the Port Authority of New York and New Jersey could no longer allow the supersonic aircraft while working out new noise regulations, it was a remarkably smooth debut. "I know this is terribly British," said Air France executive Bernard Bouteiller. "I'm an old boy," he continued. "I'm a graceful jetliner wasn't some free in its bid to tap the lucrative New York end of the transatlantic run, but the first signs were good: in proving runs, the plane never violated the 112-decibel noise limit enforced on conven-

Homecoming: A Time For Smiles...

Autumn Wonderland set the theme for Homecoming '77. Despite the cold, rainy weather queen Claudette and her court smilingly led the parade down main street with Memorial Field as their destination.

Many campus organizations added to the beauty of the parade with their displays of various homecoming floats. "Autumn's Kingdom Painted Gold," combined the talents of Zeta Tau Alpha and Theta Xi to capture the first place award.

The Golden Eagle gridders highlighted the afternoon with a spectacular comeback in the last quarter, ending the game with a 20 - 13 victory over the Bald Eagles of Lock Haven.

Even though the weather was dampening, spirits were high for the many memories kept of this eventful day.

A Friend

The CSC Council for Exceptional Children hosted the second annual spring Peace Festival April 22, in Riemer Student Center and Tippin Gym. Approximately one hundred Polk residents and individuals from the group homes attended the festival. The theme, "You've Got A Friend" was evident throughout the day. Over one hundred CSC students participated in the project by being a "buddy" to one or two handicapped people.

Residence Hall Week

May 1 - 7

This year's residence hall week, sponsored by Inter-Hall Council, featured a variety of activities including, a dance with music by Church Street, a rock concert in Marwick-Boyd, a picnic catered by Chandler, and a fireworks display at the stadium. There was also a week long competition between the dorms with events such as college bowl, swimming, many games and relays, and a four mile run. The winners of the competition were the combined teams from Ballentine and Given.

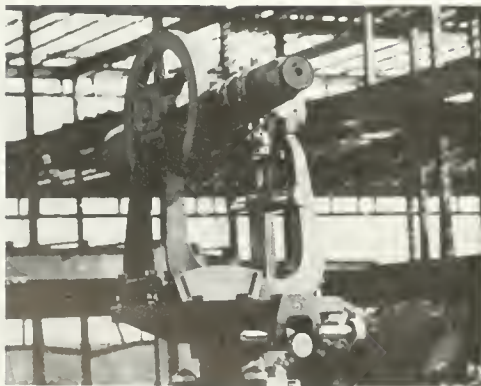

Expansion At CSC

As the Business Department at Clarion expands, the need for a larger building is evident. With the construction of the new Business Administration building on East Main Street, Founders Hall which has been in existence for eighty-four years will pass on it's housing duties. The main purpose of this new structure is to house the School of Business Administration. Fifty percent of the student body will be using this building at one time or another along with thirty percent of CSC's faculty. The anticipated opening, date of the four floor, eighteen classroom building is January, 1979.

After a slow start, and a season plagued with illness and injury, the C. S. C. basketball team racked up a good record with 18 wins and 11 losses. With a mid-season record of 8-9, they had a turnabout with nine consecutive wins, good enough to put them in the playoffs. In the Pa. Conference Western Division, C. S. C. lost to Slippery Rock by one point. In NAIA District 18, they had a win against Indiana, but lost to Mercyhurst in a semi-final game.

The team lost only one senior this year, Bill Armstrong, who contributed alot to C. S. C.'s success in his two years. Those returning for another season include five seniors who have been playing together since they were recruited as freshman: Ron Phillips, Jeff Ebner, Reggie Wells, Mike Sisinni, and Mark Lockridge.

Baseball Team Gains Experience

The 1978 Golden Eagle Baseball Team gained a wealth of knowledge throughout their season. The team learned how an energy crisis could curtail early season indoor practice time. They learned how the rainy spring of northern Pennsylvania could abbreviate a schedule. But most importantly they learned how to improve during their short season. Looking beyond their deceiving 7-9 record, one finds that the Golden Eagle's Conference record was 6-4, just one game behind State Champions Slippery Rock. Clarion's fans also witnessed several outstanding performers during the 1978 campaign. Joe Matala's .352 led the team while Len Rusciolelli's .346 and Tim Bickel's .333 batting average were close behind. Jim Koontz led the pitching staff with an unblemished record of 3-0 and with crucial wins over Indiana and Slippery Rock. Graduation takes two fine players from the '78 team in pitcher Dave Smith and second baseman John Mavero but also leaves behind the majority of what first-year coach Barry McCauliff calls "The best young Golden Eagles Clarion has seen."

Cheerleaders In Front Of The Crowd, Behind The Team

The cheerleaders are a group of CSC Co-eds who rally team support from fans and encourage spirit in the various athletic teams on campus. Being a cheerleader is more of a commitment than many realize. It can involve spending several nights a week at games and practices, spraining an ankle as a result of being the base of a pyramid, or just braving an early snowstorm at a football game in a skirt. Tryouts are held at the beginning of each year for any girl interested in cheering the Golden Eagles on to victory.

Swimmin' Women Take Second National Championship

The Women's swim team, under the guidance of Coach Carol Clay, swam to their second straight national championship in the AIAW Small College division held at Gainesville, Ga. There were five national individual champions: Nan Farrar in the 200 backstroke (national record of 2:11.5 set), Aleta Rice in the 1 and 3 meter dives, and the 800 freestyle relay team of Stephanie Crofton, Polly Potter, Nanci Spangler, and Nan Farrar (national record of 7:55.5 set). The squad also gained 36 berths on the All-American team. Nan Farrar, a sensational freshman, took 7 of those berths; Lauren Murgatroyd took 6 berths; Polly Potter took 5, and Amy Barker and Nanci Sprangler each took 4.

The girls did well throughout the season, compiling a 10 and 1 record. For the third year in a row the "Swimmin' Women" won the Canadian International Invitational and also the Pa. State Conference meet which was held at Clarion.

Softball Enters Second Season At C.S.C.

In its second year of existence at Clarion, the women's softball team logged a record of five wins and four losses. The young team, consisting of all freshmen and sophomores, tackled a more difficult schedule than it had its opening season.

Freshman, Dottie Arch, pitched most of the games for the team with Kathy Depietro and Cindy Yount giving relief performances. Diane Pelletiere and Reda Best were this year's co-captains.

Being a strong and young squad, the women's softball team is looking ahead to a bright future as a part of C.S.C. athletics.

Earning the spot of the fourth ranked team in the nation, Coach Ernestine Weaver's Golden Eagle gymnasts once again put together a fantastic season. This year's competition marked Clarion's 48th consecutive dual meet victory, and was CSC's sixth successive undefeated season under Coach Weaver.

The team began with a solid base in the form of three returning All-Americans: Karen Brezack, Denise Rivet, and Donna Johnson. Added to this was an outstanding group of five new freshmen. These performers were Nancy Jones, Kevn Mabrey, Kelli Stephenson, Elaine Lengyl, and Dana Kempthorn.

Not without problems and disappointments, the season did have its highlights. One of these was certainly the crowd-pleasing and close meet at home against Michigan State.

Clarion gymnastics fans were forced to say goodbye to retiring senior, Karen Brezack, as the year's competition drew to a close. She'll be missed. But the promise of future competitors and seasons in Golden Eagle gymnastics were exemplified by Nancy Jones, who became the eighth all-around girl gymnast in the nation at the AIAW championships.

For Four Years

Graduation May 21, 1978

The day started out cloudy and stayed cloudy just long enough for Clarion's graduation ceremonies to be moved into Tippin Gymnasium. This change of location caused more than a little confusion for graduates and faculty alike, but eventually the graduates found their little white (or pink) cards and their places in line.

President Sommers' address was short as promised. He gently reminded us to learn quickly the virtues of laughter and kindness. Dr. Aharrah did not let anyone trip or hold their card upside down, only a few names were mispronounced, and everyone survived the two and a half hour ceremony. Unfortunately none of the professors saw much of the proceedings since they were marched straight through the gym due to a lack of space. But on the whole it was a day that most of us will remember for the rest of our lives.

Editor's Message

You learn much about a place after you've lived there for four years, especially if you've worked on its yearbook. You also meet many people, some of whom made my job as editor easier. I'd like to thank all of those people who helped with the book, but especially:

Abe of Davor Photo
Bernie of Walsworth Publishing
Lee Krull
Dr. Michalski
and Jo.

It wasn't always easy; sometimes I thought I lived in 15 Harvey Hall, but I learned something extra about Clarion, and I hope you, the student body, think it was worth it.
